FIFINELLA WINNER OF THE "NEW DERBY"

Great Auto Race at Indianapolis—Giants Nearing World's Record

By Wilbur S. Forrest. (United Press staff correspondent.) Newmarket, Eng., May 30.—E. Hulton's Fifinella won the "New Derby" this afternoon from a field of 10 starters. A. Fairie's Kwangsu, the heavy favorite, was second. Nassovian finished third. The race was over a distance of one and one-half miles for a sweepstakes of \$500 each, half forfeit, with about \$5,000 added. Though King George and society generally were absent, the king's horse was entered. The attendance was confined largely to habitués of the track, with a liberal sprinkling of soldiers on leave. Kwangsu was a three to one favorite in the betting. Epsom Downs, the famous track, stands now as hospitals and barracks. Wounded soldiers suffer in the stables where blooded horses used to be kept. Sentiment would not permit entire abandonment of the derby so the Jockey club arranged for today's race under the name of the "New Derby," a similar classic but for smaller stakes, to be run at Newmarket during the war. Every track in England is closed except Newmarket, the center of the horse breeding industry. Irish tracks are running as usual.

Thinks Shehan a Wonder. San Francisco, May 30.—Les Shehan has played his last game with San Francisco for several months, while Eddie Hallinan never will play with Salt Lake City again. Immediately after his arrival from Salt Lake this morning Manager Harry Wolverton of the Seals announced the acquisition of Hallinan and the optional release of Shehan to the Seattle Northwestern league club. Wolverton believes Shehan will develop into a wonderful player and refuses to sell him outright. Shehan will rejoin the Seals when the Northwestern league season closes. Asked what disposition he intends to make of "Polly" Peritt, Wolverton refused to make a definite statement.

No Longer Partners. Los Angeles, Cal., May 30.—Maurice McLoughlin and Tom Bundy are no longer partners at tennis, it was learned here today. The famous old doubles combination of "Tom" and "Maury" has passed out, according to McLoughlin. Business will prevent Bundy going east this year, and McLoughlin expects to secure another partner.

Girls on the Playground. All have corresponded with a number of friends in San Francisco, said McLoughlin, "and there is a bare possibility of my hooking up with some one like Johnnie Strachan, for play in the Pacific Coast doubles. I expect to go east and play."

Giants Have 17 Straight. Philadelphia, May 30.—The Giants will have to win both games with the Phillies today and tomorrow's game to tie the world's record for winning streak. All had thought that the Chicago White Sox, with 19 straight wins 10 years ago, held the record, but now comes a baseball authority who pulled the book on the fans and demonstrated that Providence blank in 1884 grabbed 20 games in a row.

Hot Game Anticipated. Cambridge, Mass., May 30.—The hardest test the Stanford tennis team, Herbert Hahn and VanDyke Johns, has yet encountered in its eastern tour was expected this afternoon when Harvard's tennis stars are met. B. Norris Williams, former national champion, will be one of the crimson representatives.

Carroll to Box Mascott. Portland, Ore., May 30.—Jimmy Carroll of San Francisco, is slated to box six rounds with Billy Mascott in Portland next Friday night. On the same card Romeo Hagen of Seattle, will meet Valdy Thimatis at 158 pounds.

Players Are For Sale. Portland, Ore., May 30.—Charles Holcher, utility infielder, and Oscar Harstad, pitcher, are for sale today. W. W. McCredie, Portland baseball manager, yesterday asked waivers on the two players. McCredie also announced that the proposed purchase of Kenneth Williams, the Grants Pass phenom, from Spokane, has temporarily fallen through because of Williams' illness. The deal may be consummated later.

CHARLES SWERNEY DEAD. Portland, Ore., May 30.—Charles Swerney, millionaire Spokane mining man, died here today. He had hovered between life and death since last Thursday. Swerney was one of the pioneer mining men of the Pacific coast. He was connected with the Comstock mines in Nevada, later making a fortune in the Coser d'Alene district. He was associated with John W. Gates during the big steel flurry several years ago.

NICHOLSON SELLS TRACT. C. J. Nicholson has sold his 12-acre tract one mile west of Independence for \$5,000, and in the deal buys a 160-acre stock ranch for \$2,500. He will move to Crook county October 1 and stock up with Herefords and try the cattle business for a change. The Independence Realty & Insurance Co. made the deal.

There is reason to believe that if Fairbanks can't get the presidential nomination at Chicago he will be as joyous as his limitations will allow should the vice presidency come his way. New Today Ads work while you sleep—will have results for you in the morning.

Where the Teams Play Today. Portland at Los Angeles, two games. San Francisco at Oakland, two games. Detroit made a little matter of 19 runs in two games at home and only took half the double header from St. Louis at that.

The Red Sox came back after having dropped six in a row to the Yanks, and trounced that self same New York bunch 3 to 0. Thomas and Holtzclaw starred with the edgels for Boston.

Mathewson made it 17 straight for the Giants when he kept the Braves from knocking the pellet to the outfield except on rare occasions. Six Six used his fast one judiciously. Matty also started one of the day's five double plays by plucking a furling one out of the ether with his bare palm and doubling Konechey off first.

Benny Kauff scored the first of New York's three tallies with a timely one bagger. Cincinnati picked on Jacobs of the Pirates in the ninth and with the assistance of a frenzied heave by Baird, Pittsburgh's left gardener whanged out four runs and won.

OIL TREATMENT FOR STOMACH TROUBLES

A simple prescription made up or a combination of pure vegetable oils is producing wonderful results for sufferers. The remedy, which is said to have originated in France, where it has been used for years by the peasantry, was introduced into this country by George H. Mayr, a leading Chicago druggist, who cured himself of severe stomach, liver and intestinal troubles by its use. Those who have used it say the first dose is sufficient to convince any one of its remarkable merit, and that within twenty-four hours the sufferer feels like a new person. This medicine, which has become known as Mayr's Wonderful Remedy, is sold by leading druggists everywhere, with the positive understanding that your money will be refunded without question if quibble if ONE bottle fails to give you absolute satisfaction.

The preliminary game started on schedule time this afternoon between Newberg and the Salem high school. The following was the score: Salem won the games this afternoon with the following score: Salem High 1, Newberg, 0.

TODAY'S COAST GAMES; BEAVERS LOSE AGAIN

Los Angeles, Cal., May 30.—The sporting Los Angeles team opened the series with Portland at Washington Park this morning by winning their seventh straight, 6 to 2. George Zabel, former Cub star, pitched for the local club. He was very wild and his offerings were hammered viciously. The Beavers failed to make their hits at opportune moments. Stumpf, with two singles, was the batting star of the day for Portland.

Southpaw Kelley twirled an excellent game for the Beavers, but a series of mixed plays and puny infield hits worked his undoing in the fourth inning. Only one ball was hit to the outfield in this inning, but four runs were squeezed over the plate. Stumpf made his usual poor throw in the second inning, Maggett scoring as a result. Score: R. H. E. Portland..... 2 9 3 Los Angeles..... 6 7 2 Kelly and Fisher; Zabel and Boles.

Vernons Easy Game. Salt Lake City, Utah, May 30.—Perambulations to first base were distributed with a free and impartial hand by assorted pitchers who participated in the Vernon-Salt Lake morning fracas today, and the Tigers grabbed the haul, 13 to 3. There were seventeen walks.

Vernon seized a nice little lead of four in the initial canto and continued the work at intervals throughout the session. The bengals also played errorless ball, while three boots by the saints helped send the visitors on their way rejoicing.

Brief and Risberg gained the plaudits of the multitude with home runs. Jess, who died the hurling for Vernon, kept his feet on the turf most of the time. He advanced one runner by a balk and on another occasion, encouraged the saints with a wild pitch, but he earned his salary in every frame. Score: R. H. E. Vernon..... 13 13 0 Salt Lake..... 3 8 3 Hess and Whaling; Warhop, Hall, Kellogg and Vann.

Oaks on Toboggan. Oakland, Cal., May 30.—The Oaks continued on the toboggan this morning, losing to San Francisco, six to three. The first four men to face Boyd, singled, driving him out of the box. Berk replaced him and let two more runs across in the eighth on wild pitches. The Oaks rallied in the final innings, forcing Baum to the bench in favor of Fanning. Klein, who flung the final frame for Oakland, also was guilty of a wild pitch that enabled the Seals to get their last tally. Score: R. H. E. San Francisco..... 6 9 0 Oakland..... 3 10 1 Batteries: Baum, Fanning and Brooks; Boyd, Beer and Griffith.

THIS IS DEFINITE. Berkeley, Cal., May 30.—Girls, here are a few fashion hints, direct from New York. Don't make your skirt too narrow or too wide. Don't have it too long or too short. Have it tailor made. Mrs. John C. Lynch, state regent of the Daughters of the American Revolution, makes these suggestions today. They are along the general lines of a plan submitted to the Federation of Woman clubs in New York.

ARE FOR PREPAREDNESS. Portland, Ore., May 30.—The Electric Workers' union today disagreed with the Central Labor Council over the question of military preparedness. The labor council heretofore adopted resolutions opposing preparedness. Declaring that the council's action does not represent the true feeling of laboring men, the Electrical Workers last night went on record for preparedness.
